If Mothers Only Knew!

By Dr. True

Nineteen-twentieths of the sickness of children have two causes: constipation and worms! The danger of constipation is understood, but there are 50 different kinds of worms that may exist in the stomach and bowels, and children are especially apt to have them. Usually stomach and pin worms. Signs of worms are: Indigestion, with a variable appetite; abnormal craving for sweets; nausea and vomiting; swollen upper lip; hard tongue; offensive breath; hard and full belly with occasional gripings and pains about the navel; face at one time flushed, then pale and in a few cases the face takes on a dull leaden hue; eyes heavy and dull, twitching eyelids; itching of the nose; itching of the rectum; short, dry cough; grinding of the teeth; little red spots sticking out on tongue; starting during sleep; slow fever; pulse quickened and irregular; body may be hot; and, often, in children, convulsions. Rid the child of worms and you will have a healthy, happy child.

NOTE—Dr. True's own prescription, sold under the name of Dr. True's Elixir, is the best remedy in the world for worms. It destroys all worm life, expels worms from the body and makes the child healthy again. All dealers, 35c, 50c and \$1.00.

Miss Edna Beard and Miss Lula Thompson, who have been in camp at Curtis pond, Calais, for the past week, have returned home.

Miss Nina Bates of Barre was a recent guest at Mrs. R. E. Beard's.

Charles Flanders and Mrs. Lillian Richardson were in Burlington Friday and Saturday of last week, calling on Mrs. Nellie Flanders and Mrs. Cora Noyes at the Mary Fletcher hospital.

They report Mrs. Flanders as gaining slowly, and Mrs. Noyes as comfortable as could be expected, after her recent operation.

Albert S. Brigham of St. Albans, state commissioner of agriculture, will give an address at grange meeting next Friday night. All local members are urged to be present, and outside grangers are cordially invited.

The funeral of George J. Cook was held last Thursday afternoon at the church, a large number of relatives and friends being present. Music was furnished for the occasion by Mrs. Flora Lord, Miss Nellie Titilston and Messrs. R. P. Lord, John Lord and W. H. Crockett. Rev. A. J. Lord officiated. A large number of beautiful floral offerings testified to the esteem in which the deceased was held.

We wish to thank all who so kindly assisted us during the illness, death and burial of our dear father, especially the singers at the funeral.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Burlington's rest room was opened to the public Monday morning, with Mrs. Jennie DeLorne as matron in charge. The rest room was secured through the insistence of the women of that city.

At a special meeting in Brattleboro Friday night, it was voted to arrange for the laying of dust either by water or oil as preferred by a majority of the citizens on any street. It was also voted to purchase a spraying machine for trees infected by the elm leaf beetle.

A registered Holstein bull belonging to J. D. Maher of Newfane and a passenger train from Brattleboro collided Thursday night, with results disastrous to both animal and locomotive. The bull was cut in two and the train derailed. No one was injured.

A horse belonging to L. O. Allen of Middlebury and valued at \$1,000, slipped and fell on the fair grounds in that place recently, breaking a hind leg and necessitating its being killed. The animal had been entered to race in Montreal last week and at a number of other places later in the season.

B. B. Gilbert, proprietor of the Frontier house hotel at North Troy, was terribly and fatally burned Wednesday afternoon by a gasoline explosion while working about an automobile in the home of Dr. F. H. Page in that village. He was taken immediately to the Royal Victoria hospital in Montreal, where he died within a few hours.

F. H. Miller of Brattleboro celebrated his seventieth birthday anniversary Friday by walking on a wager from his home to West Brattleboro, a distance of sixteen miles, in four hours. Mr. Miller has recently resigned as manager of the deer park in Halifax and to prove that the resignation was not because of failing health he undertook the Weston pedestrian stunt.

The village of Woodstock had \$1,000 fire loss July 4, when its stone crushing plant, building and machinery, were destroyed. The property consisted of two motors of ten and thirty-five horse power, and three transformers. An air compressor in the plant was not badly damaged. The Woodstock Electric Co. lost three meters. The cause of the fire is unknown and the work of the flames was so rapid there was nothing the fire department could do to stay them.

Mrs. Frank E. Howe, wife of the publisher of the Burlington Free Press, formerly a resident of Montpelier and Barre, is critically ill in a hospital at Worcester, Mass., where she was taken from York Beach, Me., at which place she had been since July 1. Mrs. Howe had been in poor health for some time, but was thought to be improving when she went to the beach with her mother and two sons. That the illness was sudden was shown by the fact that her husband was notified by telephone while in Middlebury, where he was to speak at a meeting. The message stated that an operation would be performed at once.

Excursion on Lake Champlain Sunday, July 20, via Central Vermont Railway. Special train leaves Barre 9:10 a. m.; Montpelier, 9:35 a. m.; and Burlington, 10:15 a. m. Steamer Ticonderoga leaves Burlington 11:15 a. m. for a five hours' sail. On the return trip special train leaves Burlington 4:30 p. m. Barre, 5:10 p. m. for round trip. The Evidence Is Supplied by Local Testimony.

If the reader wants stronger proof that the following statement and experience of a resident of Barre, what can it be?

Mrs. M. Nelson, 20 Merchant Street, Barre, Vt., says: "Doan's Kidney Pills, procured at Drown's drug store, benefited me so greatly that I consider them a very reliable preparation. A severe attack of the grippe had left my kidneys in a weakened condition, and instead of getting better I became worse. The slightest housework tired me, and if I were on my feet for an hour or so, sharp pains across my back would compel me to stop and rest. I paid over one hundred dollars for doctors' bills and medicine, but got no relief, and finally became discouraged. Doan's Kidney Pills were then brought to my attention and I used them. They removed the trouble and since then I have never been without a supply on hand. I have never ceased to recommend Doan's Kidney Pills to my friends and acquaintances."

The above statement was given in 1905, and when Mrs. Nelson was interviewed on August 20, 1912, she said: "I still use Doan's Kidney Pills and find them as excellent as when I recommended them some years ago. You may continue publishing my statement."

cause he was unjustly deprived of the right of presiding. He also indicated that some action on the Frechette charges would soon be taken again. The mayor said this is the seventh time his actions have been questioned and is the seventh time the courts have sustained him since he was mayor.

ATTACKS CITY JUDGE.
Mayor Burke Turns His Guns on Judge C. S. Palmer.

Burlington, July 15.—Mayor Burke yesterday got after Judge C. S. Palmer of the city court. He took action by writing to Gov. Allen M. Fletcher, who appointed Judge Palmer, and asked him if it were not possible to straighten out the city court situation in this city. The mayor informed Governor Fletcher that Judge Palmer was practically a resident of Jericho and there were many occasions when the judge was in the town mentioned and the city of Burlington was deprived of its municipal court.

The mayor told a reporter that he believed the judge of the city court should be available at all times, even nights and Sundays. He said Judge Palmer had been in the habit of not getting down to the city until late in the morning, which caused delay in the trial cases, and that he had been absent at other times when his services were needed. He referred more particularly to the prosecution of recent violations of the automobile law. The mayor said he thought the prosecution of John P. Adams of Montpelier last Saturday was illegal because Judge Palmer had not taken the plea but had imposed the fine of \$10 and costs, the judge being absent from the city, and Mr. Ladd not having been appointed acting judge.
